

## Custom Work

See something you like by Tiffany Runge Glass but need a different colour scheme to go with your décor? Want a stunning garden piece to add that 'wow' factor to your outdoor space? Have an idea for a one-of-a-kind gift?

I will work with you to design and bring your concept to life!

### 2021 Pricing:

Pricing of your commissioned piece is determined by design, cost of materials, labour, and number of firings.

### The Process:

- Please contact [glass@tiffanyrunge.com](mailto:glass@tiffanyrunge.com) or via cell 705-718-3362 and let's have a conversation!
- I'll provide you with a estimated price quote and time needed to complete the commission. A digital mockup of your custom piece will also be provided.
- Once the mockup and quote are approved, a 50% deposit is required to complete your commission. Prices are in Canadian dollars. Shipping is extra and is dependant on size and weight of the piece. After the deposit is processed, please allow a 14 to 30-day turnaround time (not including shipping).
- Regular shipping rates apply. Local delivery or pickup can be arranged.

## Memorial Ashes Keepsakes

Memorialize your loved one's remains in glass. Custom colours and designs are thoughtfully and respectfully created with premium fusing glass.

Pendants, sun catchers and paperweights are the most popular fused glass keepsakes. Sorry, glass orb designs are not available at this time. Ashes can be visible or hidden in your fused glass piece, as you prefer.
